RECEIVED

APR 9 - 1918

Referred to School.

Beaumont, Texas. April 8, 1918.

Hon. J. T. Robinson,
Commissioner Gen'l Land Office,
Austin, Texas.

Dear Sir:

I have received your letter in regard to my file-Survey No. 52 S.F. 8751, dated March 29, 1918, stating, that W. G. Douglass of Cedar Bayou has filed on two acres of land which is embraced in my field notes, and that you are inclined to think that the Singleton and Whiting Surveys cannot be separated, and that the two acres under the Douglass file are subject to sale and further asking if I wish to correct my field notes to embrace the two acres, which I understand is all the land under my field notes, you think is subject to sale by the State.

Replying, I beg to say that I thoroughly examined the question of the status of land covered by my file at the time the survey was made, and was present when the Surveyor of Harris County made the Survey and was convinced then, that the land belonged to the ^{State}, and am of that opinion now. Such being my view, I here respectfully protest against the cancellation of my File and will not correct field notes to cover the Douglass file, nor consent to the said two acres under the Douglass file being cut out of the land covered by my file.

I respectfully ask that you appraise and award the land as the law directs.

Very truly yours,

P. G. Omohundro

Dear Sir:-

It appears that in 1908, you filed on a tract of land in Harris County, lying between the Harvey Whiting and James W. Singleton surveys, as vacant land. The survey is No. 52, S.F. 8751, and contains 209 acres, according to your returns. Final action on this survey has never been taken. Recently W. G. Douglas of Cedar Bayou filed on 2 acres of land which are embraced in your field notes. I am inclined to think that the Singleton and Whiting cannot be separated, but that the two acres filed upon by Mr. Douglas are subject to sale. This is to advise you that if you care to correct your field notes to embrace the 2 acres, the matter will have further attention and consideration.

If you do not care to do so, kindly let me know to the end that I may reject your file and give Mr. Douglas an opportunity to purchase it.

Yours very truly,

SF 8751
Walker/LNC

Commissioner.
